Cleansing and treatment routine for all **Lubex anti-age®** treatments

Step 1: gentle cleansing

Cleanse the eye area and face with **Lubex anti-age® eye make-up remover**, **Lubex anti-age® cleansing milk** and/or then refresh with **Lubex anti-age® tonic**.

Step 2: treatments

Apply the specific **Lubex anti-age® treatments**.

Clinical and dermatological observation studies successfully demonstrate effectiveness and tolerance. (Dermatest)

45 years of dermatological expertise goes into
our **Lubex anti-age® treatments**

- Developed and manufactured in Switzerland according to principles of sustainability
- Not tested on animals
- Free from preservatives, allergenic fragrances, microplastics, colorants and paraffin oil

Day treatment

LIGHT

Lubex anti-age® day light SPF 30

50 ml

- High in moisturising factors
- Low lipid content
- Hydrates and plumps the skin from within

Recommendation for use

- Apply to the face, neck and décolleté in the morning and massage in gently.
- Effectiveness increases with regular use.

UVA and UVB protection, SPF 30

All UV filters are free from octocrylene, octinoxate and oxybenzone in compliance with the Hawaiian Reef Law and **do not harm the ecosystem.**

Active ingredients:

Ectoine, long-chain hyaluronates, hyaluronic acid fragments (HAF), hexapeptides, microalgae extract, provitamins C + E

Day treatment

CLASSIC

Lubex anti-age® day classic SPF 30

50 ml

- High in moisturising factors
- Medium lipid content
- Firms the skin through collagen production

Recommendation for use

- Apply to the face, neck and décolleté in the morning and massage in gently.
- Effectiveness increases with regular use.

Important information

Avoid the eye contour. If the product comes into contact with the eyes, rinse immediately with plenty of lukewarm water.

UVA and UVB protection, SPF 30

All UV filters are free from octocrylene, octinoxate and oxybenzone in compliance with the Hawaiian Reef Law and **do not harm the ecosystem.**

Active ingredients:

Dipeptide complex, ectoine, niacinamide, long-chain hyaluronates, hyaluronic acid fragments (HAF), highly active peptides, AntiOx complex

Day treatment

CLASSIC

Lubex anti-age® day classic

(without UVA and UVB protection)

50 ml

- High in moisturising factors
- Medium lipid content
- Firms the skin through collagen production

Recommendation for use

- Apply to the face, neck and décolleté in the morning and massage in gently.
- Effectiveness increases with regular use.

Tipp

For best results, combine with **Lubex anti-age® sun fluid face SPF 50**.

A clinical and dermatological observation study demonstrates:*

- Reduces wrinkle depth by **10 %**
- Significantly increases skin hydration by **21 %**
- Significantly increases skin elasticity by **28 %**
- Significantly increases skin density by **13 %**
- Significantly increases collagen 1 content by **46 %** (in vitro) → **significantly firms the skin**

Skin tolerance: very good*

** Laboratory BIO-EC, research center for cosmetic and dermatological efficacy studies

Active ingredients:

Dipeptide complex, ectoine, niacinamide, long-chain hyaluronates, hyaluronic acid fragments (HAF), highly active peptides, AntiOx complex

Day treatment

RICH

Lubex anti-age® day rich SPF 30

~50+

50 ml

- Very high in moisturising factors
- High in lipids
- Improves the structure of the skin and smooths wrinkles from within

Recommendation for use

- Apply to the face, neck and décolleté in the morning and massage in gently.
- Effectiveness increases with regular use.

Important information

Avoid the eye contour. If the product comes into contact with the eyes, rinse immediately with plenty of lukewarm water.

UVA and UVB protection, SPF 30

All UV filters are free from octocrylene, octinoxate and oxybenzone in compliance with the Hawaiian Reef Law and **do not harm the ecosystem.**

Active ingredients:

Highly active peptides, apple stem cells, hyaluronic acid fragments (HAF), AntiOx complex, soy isoflavone liposomes

Day treatment

RICH

Lubex anti-age® day rich

(without UVA and UVB protection)

~50+

50 ml

- Very high in moisturising factors
- High in lipids
- Improves the structure of the skin and smooths wrinkles from within

Recommendation for use

- Apply to the face, neck and décolleté in the morning and massage in gently.
- Effectiveness increases with regular use.

Tip

If well-tolerated mineral UV protection is required on sunny days, **Lubex anti-age® sun fluid face SPF 50** can be used in addition.

Active ingredients:

Highly active peptides, apple stem cells, hyaluronic acid fragments (HAF), AntiOx complex, soy isoflavone liposomes

Together against breast cancer

For over ten years now, Permamed has supported the Swiss Cancer League with a considerable donation.

For each Lubex anti-age® treatment sold, Permamed donates one franc to the Swiss Cancer League for breast cancer prevention.

With this contribution, our company, employees and customers are showing their social commitment to breast cancer prevention.

Night treatments

LIGHT

Lubex anti-age® night light

50 ml

- High in moisturising factors
- Low lipid content
- Prevents wrinkles

Recommendation for use

- Apply to the face, neck and décolleté at night and massage in gently.
- Effectiveness increases with regular use.

Tip

The anti-aging active ingredients penetrate the skin even better and more rapidly when applied after exfoliation, e.g. with **Lubex peeling®**.

Active ingredients:

Ectoine, coenzyme Q10, long-chain hyaluronates, biochromones, ceramides

Night treatments

CLASSIC

Lubex anti-age® night classic

50 ml

- High in moisturising factors
- Medium lipid content
- Effectively reduces wrinkles, builds up the skin from within and repairs skin damage

Recommendation for use

- Apply to the face, neck and décolleté at night and massage in gently.
- Effectiveness increases with regular use.

Tip

The anti-aging active ingredients penetrate the skin even better and more rapidly when applied after exfoliation, e.g. with **Lubex peeling®**.

Precautions

Do not use in combination with other products containing retinol/vitamin A, and apply sunscreen with SPF 30 or higher during the day.

A clinical and dermatological observation study demonstrates: *

- Improves skin hydration by **66 %**
- Reduces wrinkle depth by **33 %**
- Reduces oxidative stress by **79 %** (in vitro)
- Increases collagen 3A1 content by **245 %** (in vitro)

Skin tolerance: **very good** *

** Dermatest 2023, research institute for reliable results

Active ingredients:

High-dose retinol 5000 IU / g (0.15%), coenzyme Q10, provitamins C + E, ceramides

Night treatments

RICH

Lubex anti-age® night rich

50 ml

- Very high in moisturising factors
- High in lipids
- Effectively reduces wrinkles and provides a sustained lifting effect

Recommendation for use

- Apply to the face, neck and décolleté at night and massage in gently.
- Effectiveness increases with regular use.

Precautions

Do not use in combination with other products containing retinol/vitamin A, and apply sunscreen with SPF 30 or higher during the day.

A clinical and dermatological observation study demonstrates: *

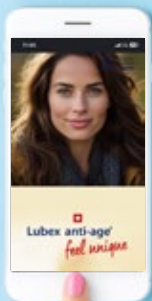

- Improves skin hydration by **88 %**
- Reduces wrinkle depth by **37 %**
- Reduces oxidative stress by **86 %** (in vitro)
- Increases collagen 1A1 content by **25 %** (in vitro)

Skin tolerance: **very good***

**Dermatest 2023, research institute for reliable results

Active ingredients:

High-dose retinol 5000 IU / g (0.15%), coenzyme Q10, long-chain hyaluronates, hyaluronic acid fragments (HAF) and ceramides, soy isoflavone liposomes, AntiOx complex
