Cleansing and treatment routine

For all **Lubex anti-age®** treatments:

Step 1: gentle cleansing

Cleanse the eye area and face with **Lubex anti-age® eye make-up remover**, **Lubex anti-age® cleansing milk** and/or then refresh with **Lubex anti-age® tonic**.

Step 2: treatments

Apply the specific **Lubex anti-age®** treatments.

45 years of dermatological expertise goes into our **Lubex anti-age®** treatments:

Clinical and dermatological observation studies successfully demonstrate effectiveness and tolerance*

- + Developed and manufactured in Switzerland according to principles of sustainability
- + Not tested on animals
- + Free from preservatives, allergenic fragrances, microplastics, colorants and paraffin oil

* Dermatest

Lubex anti-age[®] eye excellence

For all skin types

Maximum anti-wrinkle effect with optimum tolerance

Night treatment

15 ml

- Significantly reduces expression lines
- Firms the skin around the eyes, smooths out wrinkles and improves skin elasticity
- Plumps up the skin from within, provides intensive hydration and has antioxidant properties

Instructions for use

- Apply below the eyes and above the eyes along the eyebrows, preferably in the evening after cleansing, avoiding the eyelids.
- Avoid direct contact with the eyes.
- Do not use in combination with other products containing retinol/vitamin A, and apply sunscreen with SPF 30 or higher during the day.

Clinical and dermatological observation studies demonstrate: *

- Reduces wrinkle depth by 32%
- Reduces skin roughness by 10%
- Improves skin elasticity by 8%

Skin and eye tolerance: very good *

Active ingredients:

High-dose vitamin A (6,000 IU/g), dipeptide complex, hyaluronic acid fragments (HAF), tripeptides

*** Dermatest: 2019
research institute for reliable results

For all skin types

Lubex anti-age® eye pads

8 x 2 pads

- With a high-dose combination of active ingredients
- Plumps up and hydrates skin
- With antioxidant, stress-resistant properties
 - Smooths out expression lines
 - Detoxifies cells

Clinical and dermatological observation studies demonstrate: *

- Reduces wrinkle depth by 23%
- Improves skin hydration by 23%
- Reduces skin roughness by 14.5%

Skin and eye tolerance: very good *

Active ingredients:

Long-chain hyaluronates, dipeptide complex, ectoine, bioplasma FA® plankton extract

★★ Dermatest: 2018
research institute for reliable results

For all skin types

Lubex anti-age® eye pads

Instructions for use of eye pads

- Remove pads from pack and detach from backing.
Place under the eyes and relax for 15 minutes.
- Avoid direct contact with the eyes.
- Ideal for intensive treatment before important engagements, ensures an immediate refreshing feeling.
- Tip: Place in the refrigerator before use: this boosts the refreshing kick!

Together against breast cancer

For over ten years now, Permamed has supported the Swiss Cancer League with a considerable donation.

For each Lubex anti-age® treatment sold, Permamed donates one franc to the Swiss Cancer League for breast cancer prevention.

With this contribution, our company, employees and customers are showing their social commitment to breast cancer prevention.

For all skin types

Lubex anti-age® eye intensive

Day treatment

- Tightens the eyelids
- Firms wrinkles around the eyes and has antioxidant properties
