Lubex anti-age® serum multi intensive

allround serum

For all skin types

ideal
serum for
new users

30 ml

- Reduces wrinkles with lasting effect
- Improves the skin's vitality
- For effective protection against stress
- Improves skin condition and ensures faster regeneration of the skin's flora
- Plumps up the skin from within and intensively hydrates the epidermis

Recommendation for use

- Use the serum (1–2 pumps) on thoroughly cleansed skin before your usual day or night treatment. Apply evenly over the face, neck and décolleté. Avoid the eye contour.
- Suitable for daily use and should be applied regularly over a longer period of time for the best results.

Clinical and dermatological observation studies demonstrate:*

- Improves skin hydration by **52 %**
- Reduces wrinkle depth by **22 %**
- Improves skin density by **14 %**
- Respects the balance and diversity of the skin microbiome

Skin tolerance: **very good***

**Dermatest, research institute for reliable results

Active ingredients: Niacinamide, resveratrol, ectoine, fermented saccharides, hyaluronic acid fragments (HAF)

Lubex anti-age® hyaluron 4 types

intensive booster

For all skin types

30 ml

- Provides intensive quadruple hydration from the skin's surface through to the lower layers and replenishes its moisture reserves
- Visibly reduces the appearance of wrinkles and firms the skin
- With antioxidant properties, prevents skin aging

Recommendation for use

Apply to cleansed skin (face, neck and décolleté) in combination with (before) your usual day and/or night treatment.

Clinical and dermatological observation studies demonstrate:*

- Reduces wrinkle depth by **36 %**
- Improves skin hydration by **24 %**
- Reduces skin roughness by **18 %**
- Improves skin elasticity by **6 %**

Skin tolerance: **very good***

**Dermatest 2019, research institute for reliable results

Active ingredients: Coenzyme Q10, provitamin C + vitamin E, tripeptides, type 1: long-chain hyaluronates, type 2: hyaluron crosspolymers, type 3: acetylated hyaluronates, type 4: hyaluronic acid fragments (HAF)

Lubex anti-age® vitamin C

depigmenting concentrate

For all skin types

30 ml

- Reduces pigment and age spots
- Ensures an even complexion
- Reduces wrinkles and provides intensive hydration
- With a powerful antioxidant effect

Recommendation for use

- Apply to cleansed skin. Avoid the eye contour.
- Use before your usual night (or possibly day) treatment: use as a treatment for 1 to 2 months, or over a longer period of time. The effects improve continuously with regular use.

Clinical and dermatological observation studies demonstrate:*

- Reduces wrinkle depth by **32 %**
- Alters the ITA° (lightening the skin) by **22 %**
- Reduces skin roughness by **13 %**

Skin tolerance: **very good***

**Dermatest, research institute for reliable results

Active ingredients: 10% vitamin C glucosides, hyaluronic acid fragments (HAF), soy isoflavones and cress extract and vitamin E

Lubex anti-age® intelligence

refining & correcting biostimulator

For all skin types

30 ml

Intelligent
active boost

- Refines the complexion and has antioxidant properties
- Instantly mattifies the skin and makes it smoother
- Corrects and reduces fine lines
- For a fresh, radiant complexion

Recommendation for use

- Apply to cleansed skin (face, neck and décolleté) before your usual day and/or night treatment.
- Possible combinations with: **Lubex anti-age® intelligence** in the mornings and **Lubex anti-age® serum**, **Lubex anti-age® vitamin C** or **Lubex anti-age® hyaluron 4 types** in the evenings.

Clinical and dermatological observation studies demonstrate:*

- Improves skin smoothness by **32 %**
- Reduces skin roughness by **20 %**
- Reduces skin flaking by **14 %**
- Reduces wrinkles by **13 %**

Skin tolerance: **very good***

**Dermatest 2018, research institute for reliable results

Active ingredients: Tripeptides, plant stem cells, hyaluronic acid fragments (HAF), pistachio tree extract, astragalus root extract and ginger extract

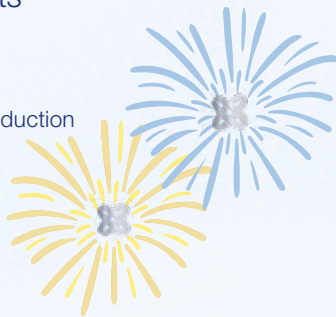

Lubex anti-age® double serum

high dosed retinol & anti-oxidants

- Reduces wrinkles, increases collagen production
- Activates the skin renewal process

30 ml

The dual serum is the ideal combination of two active phases that complement one another and combine when applied.

The highly concentrated combination of active ingredients improves skin tone and gives a flawless, even complexion.

Oil-based phase
with highly concentrated
retinol 7500 IU/g (0.23%)

Water-based phase
with resveratrol, ferulic acid
and ethyl ferulate

Active ingredient complex: Retinol 7,500 IU/g, resveratrol, ferulic acid, ethyl ferulate (antioxidants with synergistic effect)

Instructions for use:

Use in combination with your usual night treatment. Complete your anti-aging routine with **Lubex anti-age® double serum**, developed for the specific needs of your skin. Follow the steps below to achieve the maximum effect:

Step 1:

Cleanse the eye area and face with **Lubex anti-age® eye make-up remover** and **Lubex anti-age® cleansing milk** and/or then refresh with **Lubex anti-age® tonic**.

Step 2:

- Apply **Lubex anti-age® double serum** to your dry face in the evening.
- Dispense both phases into your palm at the same time, use your finger to combine them thoroughly, apply the serum to your face and neck and massage in gently (read the package leaflet).

Step 3:

- Apply the night treatment.

Tip:

Use as a course of treatment applied overnight for at least 15 to 30 days.

Notes:

Do not use in combination with other products containing retinol/vitamin A, and apply sunscreen with SPF 30 or higher during the day.

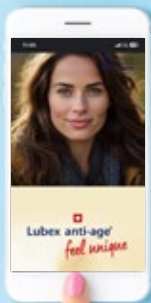

Antioxidant properties (in vitro after 48 hours on a 3D full skin model):*

- Reduces oxidative cell stress by **60 %**
- Increases collagen content (collagen 1A1) by **146 %**
- Increases collagen content (collagen 3A1) by **36 %**

Clinical and dermatological observation studies demonstrate:*

- Reduces wrinkle depth by **20 %**

**Dermatest
