ANNI  
YEARS

**NEW**

## Lubex anti-age® golden drops

- instant bronzing effect
- adjustable individual tint
- antioxidant effect

For all skin types

30 ml

**Lubex anti-age® golden drops** contain pigments, antioxidants and natural caramel to give your complexion an all-year-round summer glow. Without self-tanning agents.

- **Instant, individually adjustable bronzing effect** (without self-tanning agents):

before

2 x

4 x

- Adapts perfectly to every skin tone.
- The antioxidant effect protects your skin against free radicals.

**Free from** perfumes • free from preservatives • free from paraffin oil and silicon • free from liquid plastics

### Active ingredients:

Chlorella vulgaris extract, Caesalpinia spinosa fruit extract, hydrolysed yeast protein, helianthus annuus sprout extract

## Recommendation for use

1.

Put your usual day treatment (cream or serum) in your palm.

2.

Add 1 to 4 drops of **Lubex anti-age® golden drops** and mix in using your fingertips.

3.

Apply evenly to your face, neck and décolleté.

**The more drops, the stronger the bronzing effect.**

### A clinical and dermatological observation study demonstrates:\*

- The antioxidant effect against pollution and blue light: effective overall protection: 51% (significant)
- The significant reduction in crow's feet: -64%
- The skin's natural flora is preserved, ensuring a healthy skin microbiome.

\*Use test conducted over a 2-month period / Protective efficacy against pollution and blue light-induced damage (ex vivo) / 2022
